

How To Put Together A Great Hostess Packet!

I recommend ordering the Fun Cello literature bags (9x12) from www.mygirlfriendshouse.com to keep your hostess information together. Don't forget to stamp all of your literature. Remember—your hostess might become your team member!

INCLUDE the following:

- o Hostess Brochure #000266*
- o Your business card*
- o Outside Order Form*
- o Look books ...put these in when you book the party (ask her how many she needs for outside orders)*

Prepare 13 packets at the beginning of each month and give them OUT!!! When you are booked up, you are in business. You'll want to give 1 to your hostess when she schedules her class, or mail it to her if you booked her class over the phone. Begin Coaching her to have a successful Class Right Away...remember, an excited hostess does not cancel or postpone! Be sure to pre-profile the guests 2-3 days in advance & send the hostess her letter in the mail immediately. Think BIG!
